

**PHA Field Target Match
July 24, 2021**

We had 10 shooters show up for the match. It was warm with no breeze and stayed comfortable shooting in the shade. I would like to thank all the shooters that showed up to make this a successful match.

We shot a 15-lane match with 60 shots.

Just a note. We have started to replace and upgrade all targets in preparation for the NC State Championships on October 23, 2021.
