

PHA VINTAGE MATCH RESULTS 27 FEB 2021

PHA had our 2nd Vintage match of 2021 and weather was a little chilly and damp- no rain luckily. We again had 13 competitors with Vintage rifles and/or modern military.

Devon Cole was High Overall bolt action Vintage with a 277-5x firing a Swedish Mauser. Three M1's were on the line and Dwayne Lewis came up from Greenville, SC to finish first in that category and high overall Vintage with a 286-7x. High Modern was Karl Kassner with a 288-12x from his match rifle. The top four scores in Modern category were 286, 287, 287, and 288. That's a pretty close match.

Our next Vintage match will be on Sat, 27 March, 2021. NRA matches are scheduled to start in April and the first match will be held on Sat, 24 April 2021.

We've had good interest in again having a .22 match after one of our HP matches and maybe if the weather looks like it might be good for us to stay around a little longer, we can work it out for the March match.

If you have any questions about the course or weapons, email one of us.

Thanks and have a great Feb,

Wayne and Neil
