

## PHA HIGH POWER MATCH RESULTS 27 AUGUST 2022

Our match was held last Sat on 27 August. We had good weather, and it wasn't too hot. We finished about 1100 and had everything put up.

Eleven shooters showed up to compete, including Joe Coyle's neighbor Lawson Cherry who shot his first match as a junior. Lawson participated in our High Power Clinic held in July and shot well for his first match. There are many new things to throw at a competitor in a match that doesn't happen in practice. I know we'll see Lawson again. Ben is also new to match competition and learning to put it together in time.

Spencer Strickland was the overall winner with a 484-12, and Stephen Tate was second with a 480-7. Congratulations to both.

Our next match will be Sat, 24 September 2022.

Thank you to all competitors for setting up, breaking down, and helping run a smooth match.

Wayne and Neil
