

PHA HIGH POWER MATCH RESULTS  
28 MAY 2022

We had a great day for high power. It was cool to start the morning off with bright sun and calm winds. Seven competitors entered our match. We had a member shoot with us for his first HP match with his M1 Garand. Thanks to Wendell who gave up his match to help get Ben started and coach him through the match. Getting into position, getting the sling correct, and having ammo and scope where you need them can be overwhelming when first starting HP. Ben says he is bringing his father next month all the way from Hendersonville. An old M1 is not the easiest rifle to start off in competition.

Congratulations to Dan Helwig, our tournament winner. William Lane was second.

Our next match will be Sat, 25 June.

Thank you to all competitors for set up, break down, and helping to run a smooth match.
