

PHA
VINTAGE MILITARY HIGH-POWER MATCH
26 November 2022

PHA will have our November Vintage Military Rifle High Power matches on the 4th Saturday, 26 November. The start time will be our usual time of 0900, with sign-up beginning at 0830. We will begin the range setup around 0815 or so. The sooner we get started, the sooner we can start the match. We will still follow the CMP Eastern Games format and have a 30-round course (ten rounds prone SF, ten rounds prone RF, and ten rounds standing SF). It will be open to all “vintage” (CMP rules- essentially pre-1945) rifles or clones. You may use two different rifles or shoot the same one twice. Modern rifles will be allowed, with priority given to Vintage shooters. We will be able to find a couple of loaners if needed, but please let us know if you would like to compete but need to borrow a rifle. All firing will be on the SR targets (200 yd target) and will be walk and paste, so we do not have any target changeover, which should save us some time. We will use the same procedures as in the past.

The entry fee is \$5.00.

Please don't forget that PHA requires ALL competitors to be present for the safety briefing, which will be at about 0845.

All members must log in as they come through the gate- no tailgating- but if a member brings a guest, they may follow that member through the gate. We have a gate code available for non-members coming on their own. That code is the same as other matches and will be included in future emails to all HP competitors. The code will only be usable from 0700- 0900 on match day. Please get in touch with Neil Evans if you need more info.

If anyone has any questions, please get in touch with Wayne or me.
