

## PHA VINTAGE MATCH RESULTS 25 FEBRUARY 2023

Our second Vintage match of 2023 was held this past Saturday. Our weather was fairly cold and damp until the second relay and then it was cold and wet. Six competitors showed up to brave the weather.

High vintage shooter was Andy Askew with his M1. Andy also had the second highest score firing his old Swiss Vetterli in .41 rimfire which he converted to fire as centerfire.

Our next match will be Sat, 25 March 2023. It will again be a Vintage Military match.

Wayne and Neil
